## MESSAGE

It is with great joy and happiness that I congratulate this year's (please supply appropriate word: *graduates* or *completers*) of (*name of school*)!

Today is indeed a significant event in your life considering the time, effort and sacrifices you have invested to reach this stage of your educational journey. You are a step closer to your dream. You may meet problems, obstacles and difficulties along the way, but never give up. Rather, continue the struggle. Always bear in mind that amidst all these, a bright future awaits for you.

To the parents, I salute you for giving importance to the education of your children. Your sweat and sacrifices, surely, will not go in vain. You can now see the fruit of your labor beginning to unfold. This is not the end, though. Continue to support your children as they make their way for a better life.

To the school officials, faculty and staff, who always endeavour to provide quality education to our youth, my congratulations! May you continue to deliver quality service and find contentment and happiness in your vocation as educators.

To all our education stakeholders, thank you very much for being a part in achieving our mission of providing quality, accessible, relevant and liberating basic education. This year's theme "***Sabay-sabay na Hakbang Tungo sa Maunlad na Kinabukasan***" is an attestation of how our goals and aspirations are realized because of the concerted and collaborative effort of everyone. All our gains could not have been achieved without your support and cooperation.

Let us continue working together in forging a better and progressive future for our children.

Once again, my warmest congratulations to all of you!

(SGD.) **ROGELIO P. AMADOR**  
Acting Asst. Schools Division Superintendent
