Dear RD Uytico,

I'm Guido from Philippine Business for Education working for the project Sibika.ph. Please be informed that we are holding an online contest called #SibikaKlase open to all Araling Panlipunan teachers this January. May we ask if your office can endorse this event to public schools in your area?

This contest asks teachers to create a photo collage showing their use of our civic education modules. Below are the mechanics:

A PDF version is also attached.

The contest will end soon on Jan. 15, 2022.

We believe our civic education modules and other resources can be useful tools to your teachers. We hope to see them using these supplementary learning resources on civic education.

Respectfully,  
Guido San Diego
