Dear Dr. Uytico:

We are pleased to inform you that the Department of Science and Technology-Science Education Institute (DOST-SEI) will host the 3rd International Conference under the Project Science Teacher Academy for the Regions (STAR) bannered by the theme "Project STAR @ 10: Celebrating Gains of the Past, Exploring Opportunities of the Future" on August 23-25, 2023 in Manila.

The said conference will gather teachers, educators and education policy makers to discuss and share ideas on the current state and future direction of international STEM education. In line with the celebration of Project STAR's 10th year anniversary, it seeks to continue to capacitate and empower the Filipino teachers. It will cover the strands on instructional materials, teaching innovations, assessment, action research and wellness.

In this regard, we would like to invite teachers/educators in your region to submit papers for presentation on or before **April 7, 2023**. We would highly appreciate the dissemination of the information through issuance of a memorandum. Guidelines for submission can be downloaded at <https://bit.ly/3iMGjPb>. Attached is the announcement for call for papers for reference.

Our DOST-SEI personnel, Ms. April Valdez, will take charge of communicating with your office regarding this request. She may be reached at email address projectstarconference@gmail.com or at mobile number 09176364420.
