Request for Master List of Schools in Kabankalan City and Their Email Addresses

UPV Math Circle est 1988 <upvmathc@gmail.com>

Tue, Mar 7, 2023 at 11:22 PM

To: kabankalan.city@deped.gov.ph

Cc: jcilustre@up.edu.ph

Dear Mr. Nicasio S. Frio,

We hope this email finds you well. On behalf of the University of the Philippines Visayas Mathematics Circle (MathO), we would like to invite the schools in Kabankalan City to participate in our upcoming interschool mathematics quiz bee. This is an annual event that is open to all schools in Western Visayas.

As part of our invitation, we are requesting for a master list of schools in Kabankalan City, along with their respective email addresses. We have attached a formal request letter to this email which contains more information about our request.

In addition, we will also be attaching the letter of invitation which contains all the details about the event, including its rules and regulations. We hope that this will help provide more information to the schools in Kabankalan City.

We believe that the interschool mathematics quiz bee is an excellent opportunity for students to showcase their knowledge and skills in Mathematics. We hope that the schools in Kabankalan City will take part in this exciting event.

Thank you for your time and consideration. We look forward to hearing from you soon.

John Michael Vincent C. Ilustre

Greetings of Good Will!

The **University of the Philippines Visayas Mathematics Circle (MathO)** is a university-wide organization composed of BS in Applied Mathematics students of UPV and other interested students who have met specific qualifications. Since 1988, the organization has continued to uphold the beauty of Mathematics by conducting scholastic yet exciting activities inside and outside the university.

As one of the highlights of the Math Week Celebration, the organization will be holding the **Interschool Mathematics Quiz Bee** on **March 23-24, 2023** from **8:00 AM to 5:00 PM** at the **Little Theater, University of the Philippines Visayas, Iloilo City**. In this light, we would like to invite students from your school or organization to participate in the said contest. This will not only allow the contestants to gauge and sharpen their mathematical proficiencies but also to develop camaraderie through a constructive and friendly competition among them.

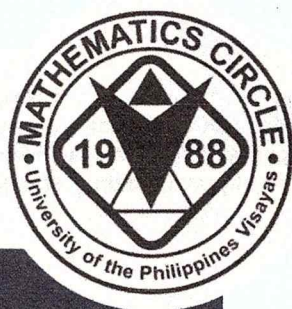

For questions or clarification, please email upvmathc@gmail.com, message us on Facebook: **UPV Mathematics Circle**, or call John Michael Vincent C. Ilustre, Event Head, at **09302539672**. You may also register for our scheduled information session this **March 18, 2023** starting **10:00 AM** at https://bit.ly/2023_upvmc_infosesh.

Please see additional details below.

I. NATURE OF THE CONTEST

The **INTERSCHOOL MATHEMATICS QUIZ BEE (ELEMENTARY, JUNIOR HIGH SCHOOL, AND SENIOR HIGH SCHOOL LEVELS)** is a contest among various schools nationwide invited by the UPV Mathematics Circle.

The contest has two categories: Individual Category (for Junior High School and Senior High School only) and Team Category (Elementary, Junior High School, and Senior High School).

The contest shall cover the following areas:

Elementary Level:

Arithmetic
Geometry
Basic Algebra
Basic Statistics
Measurement

Junior and Senior High School Levels:

General Mathematics (Arithmetic, Algebra, Geometry)
Trigonometry
Statistics and Combinatorics
Basic and Advanced Calculus

The contest is open to all Elementary, Junior High School, and Senior High School students from schools all over the Philippines. Only one (1) student with a coach is allowed to represent each school in the Individual Category. Only one (1) team composed of three (3) students and one coach is allowed to represent each school in the Team Category. Participants in the Individual Category are allowed to join in the Team Category and vice versa provided that the participant pays for the registration fee for both categories.

II. PROCEDURE

Individual and Team Category

- Contestants with their advisers/coaches are expected to be at the venue of the contest before the time allotted for registration. Students and coaches are required to bring their official school IDs.
- In the contest proper, questions will be read and flashed on screen. Teams will be provided with boards, pencils, and scratch papers.
- **Calculators will not be allowed.**
- The contest has three rounds: **Easy, Average, and Difficult**. Each round has 10 questions. Each question is worth **3, 5 and 7 points**, respectively.
- Each question will be read twice. The contestants may, however, start solving only after the first reading. After the second reading, additional **15, 30, and 60**

seconds will be given for each question in the Easy, Average, and Difficult Rounds, respectively.

- Answers must indicate proper labeling of units and must be in simplest form.
- Contestants with the top three accumulated scores in the three rounds will be declared as winners: First (1st) Place, Second (2nd) Place, and Third (3rd) Place, respectively.
- In the case of a tie, in any rank, clincher questions will be asked until the tie is broken. No hard copy of the clincher question will be given but the contestants may start answering once the quiz master starts to read the question. The first contestant to answer the tie breaking question correctly will be declared as the winner. Only a maximum of two (2) minutes will be given for each clincher question.
- Should there be any complaints, questions, or clarifications, only the contestant or the contestant's coach can raise such before the next question is given. **Complaints after this period will not be honored.**
- The panel of judges shall act on the complaint and their decision is final and irrevocable.

III. AWARDS

Certificate of Participation shall be awarded to all participants and advisers. Coaches may also request for a **Certificate of Appearance** from any MathO member.

Winners shall receive the following:

Individual Category

- **1st Place: Php 3000.00 plus trophy and certificates and a full ride (100% free) scholarship for our UPVMC Math Camp** (more info about the math camp here: https://bit.ly/upvmc_mathcamp2023)
- **2nd Place: Php 2000.00 plus trophy and certificates**
- **3rd Place: Php 1000.00 plus trophy and certificates**

Team Category

- **1st Place: Php 6000.00 plus trophy and certificates and a full ride scholarship for our UPVMC UPVMC Math Camp worth PHP18,000** (more info about the math camp here: https://bit.ly/upvmc_mathcamp2023)
- **2nd Place: Php 4000.00 plus trophy and certificates**

NICASIO S. FRIO

Schools Division Superintendent

Division of Kabankalan City

Kabankalan City, Negros Occidental

Attention: Information Technology Officer

Greetings!

We hope this letter finds you well. On behalf of the University of the Philippines Visayas Mathematics Circle (MathO), we are writing to request for a master list of schools in Kabankalan City along with their respective email addresses. This is in line with the upcoming Interschool Mathematics Quiz Bee that we are organizing.

MathO is a university-wide organization composed of BS in Applied Mathematics students of UPV and other interested students who have met specific qualifications. Our organization aims to promote the beauty of Mathematics by conducting scholastic yet exciting activities inside and outside the campus. As part of our annual activities, we conduct interschool mathematics quiz bee joined by participants from different schools across Western Visayas. The event is a two-day affair, divided into two categories: High School and Elementary categories.

Your help will enable us to send invitations to these schools via email. The email addresses will be used to invite them to participate in our upcoming Interschool Mathematics Quiz Bee. We believe that this event will be an excellent opportunity for students in Kabankalan City to showcase their math skills and compete with other schools in the region.

We understand that your department may be busy with other matters, and we appreciate any effort you can make to provide us with the requested information. Please let us know if you need further information or if there are any fees or charges required for the provision of the requested information.

Thank you for your time and consideration. We look forward to hearing from you soon.

The UPV Mathematics Circle can be reached through email upvmathc@gmail.com for your inquiries and suggestions. Additionally, you may contact us at (63) 905 517 4857.

Thank you and God bless! Mathematics Quiz Bee
