DIVISION MEMORANDUM

No. 51, s. 2016

TO: PRINCIPALS/ SCHOOL HEADS OF PRIVATE KINDERGARTEN, ELEMENTARY AND SECONDARY SCHOOLS

FROM: 
ANTHONY H. DIOBET, CESO VI
Asst. Schools Division Superintendent/
OIC- Office of the Schools Division Superintendent

SUBJECT: DESIGNATION OF SCHOOL LEARNER INFORMATION SYSTEM (LIS), ENHANCED BASIC EDUCATION INFORMATION SYSTEM (EBEIS) COORDINATOR

DATE: May 2, 2016

1. The Department of Education initiated the Learners' Information System (LIS), an online facility that provides for the registration of learners enrolled in public and private schools. Since its installation, the LIS has allowed the Department to generate the total public and private schools enrolment based on the actual registration of learners. The LIS is an innovative tool that the Department uses to manage information with the aim of promoting transparency, informed decision making, and empowerment at different levels of the organization. While being a tech-based solution, the LIS involves an inclusive, community-driven process that thrives because of the active engagement and participation of all teachers, principals, planning officers and other DepEd personnel all throughout the Philippines.

2. Based on DO 26, s. 2015 all public and private elementary and secondary schools and state universities and colleges (SUCs) offering elementary and secondary education are directed to register and update their learners' profile through the LIS and to ensure prompt, complete and accurate accomplishment of the EBEIS..

3. Relative to this, the Schools Division office of Kabankalan City would like to request all private schools offering kindergarten, elementary and secondary education to designate an LIS/ EBEIS coordinator in your school and furnish us with their office order with contact number not later than May 31, 2016.

4. Strict compliance to this memorandum is desired.
