DR. RAMIR B. UYTICO, CESO III
Regional Director
DepEd-Region VI

Dear Dir. Uytico:

Greetings!

The National Educators Academy of the Philippines expresses its sincerest thanks and appreciation for the support and cooperation you have extended to its many programs and initiatives. Indeed, your commitment of support has been our inspiration as we strive to find ways to provide relevant and responsive PD programs for our teachers and school leaders.

Following the interim report of Linking Standards and Quality Practice Program (LiSQuP), a customized professional development effort with Philippine Normal University, the National Center for Teacher Education, which was presented on December 13-14, 2022 attended by the Regional Directors and/or their representatives, we would like to further seek your support for the program and in particular to our LiSQuP scholars.

More specifically, we would like to request that the teachers and school leaders who are participants in this program be provided with consideration in terms of their workload so that they can meaningfully engage in their learning sessions, among other forms of support that can be extended to them. Discussing and seeking the support of the schools Division Superintendent would likewise be helpful. The status of engagement of scholars from your region broken down by division has been provided to you during the aforementioned event for your information and perusal.

Rest assured that we will continue to coordinate with your good office through the NEAP Focal Person and your designated LiSQuP Focal Person who have been very instrumental in the success of this program. Please contact Ms. Rizza Pereyra at rizza.pereyra@deped.gov.ph and/or Ms. Anna Marie San Diego at anna.sandiego002@deped.gov.ph for any concerns.

We commit to continue to support our teachers and school leaders as they seek professional development to better serve our learners.

Once again, thank you very much.

Very sincerely,

JOHN ARNOLD S. SIENA
Director IV
