 ROLLOUT OF PEDIATRIC VACCINATION**

**DATE :** **FEBRUARY 15, 2022**

ay MAR 01 2022

In line with DepEd Task Force COVID-19 (DTFC) Memorandum No. 327, the Public Affairs Service (PAS) created the **Vacc2School: Ligtas na Bakuna Para sa Balik-Eskwela Campaign** to encourage the Department's teaching and non-teaching personnel to take part in the immunization program of the national government. The Campaign was developed through the help of the Department of Health (DOH) and DepEd member-offices of the DTFC and was approved by Secretary Leonor Magtolis Briones on May 5, 2021.

As the national government expanded the scope of the national vaccination program, the Department acknowledged and expressed its support for the ongoing participation of field offices in the vaccination of the pediatric population ages 12-17 and 5-11 through the issuance of DTFC Memorandum Nos. 557 and 606 respectively.

In line with this, PAS encourages all Regional and Division Public Affairs Offices to adopt the attached brand guide of the Vacc2School campaign to strengthen the information dissemination, convey its key messages, and make the public aware of the initiatives the Department is taking to support the National Behavior Change Campaign of the government.

In addition, PAS also enjoins all RIOs and DIOs to conduct activities and coordinate with local concerned offices and authorities aligned with the Vacc2School campaign.

All addressed offices may access the downloadable branding materials through the following link: <https://bit.ly/Vacc2SchoolMaterials>.
