1. In support to the implementation of Basic Education-Learning Continuity Plan (BE-LCP), the Department of Education (DepEd) issued the Interim Guidelines on the Preparation, Submission, and Checking of School Forms for the School Year (SY) 2020-2021 through DepEd Memorandum (DM) No. 014, s. 2021. The interim guidelines introduced the customized set of school forms that gather information relevant to the delivery of distance learning through various modalities at the school level. These interim guidelines suspended the conduct of physical checking of school forms and only allowed the virtual/online checking instead at the school level by the School Checking Committee (SCC) as a measure to protect the health and wellness of school personnel against COVID-19.

2. As the COVID-19 situation in the country continues to get better resulting to gradual easing of restrictions, the Department is resuming the onsite conduct of the annual checking of school forms for SY 2021-2022 with the participation of the Division Checking Committee (DCC). This is in pursuance to DepEd Order (DO) No. 11, s. 2018 titled Guidelines on the Preparation and Checking of School Forms particularly, Section V., Paragraph A1, B2, and C2.

3. Without prejudice to the national and local government imposed protocols and restrictions pertaining to physical reporting to schools and offices, the checking committees shall perform the physical checking of school forms with the presence of the class adviser and examine the document vis-à-vis the Learner Information System (LIS) data as appropriate. Below are the allowed activities during checking depending on IATF assessment of alert levels.
