2. The Regional Research Committee (RRC) shall manage the research initiatives in the region.

The following are the roles and responsibilities of the Regional Research Committee:

- a. Provide directions on research initiatives through the national and local Basic Education Research Agenda, and other identified priority research areas in the region;
- b. Evaluate and approve research proposals and other related research initiatives from the region and schools divisions, in particular, proposals to be funded under BERF or any other fund source lodged in the region;
- c. Confirm school research proposals endorsed by Schools Division Research Committee (SDRC) unless the committee finds major issue(s) in the SDRC-approved research proposals (i.e. finance/cost estimates, among others);
- d. Forge partnerships with academic and research institutions on education research initiatives and projects;
- e. Resolve emerging issues on the management and conduct of research;

- f. Recommend release of regional research funds;
  - g. Provide feedback to the Regional Executive Committee on approved, ongoing, and completed research;
  - h. Ensure that cost estimates fall under the existing accounting and auditing rules and regulations; and
  - i. Endorse appropriate research proposals for consideration as national level proposals to the NRC.
3. The Regional Technical Working Committee (RTWC) shall conduct initial technical evaluation of research proposals prior to the RRC evaluation.
4. Immediate dissemination of this Memorandum is desired.
