Subject: **STRICT IMPLEMENTATION OF WATER CONSERVATION**
MEASURES PER ADMINISTRATIVE ORDER NO. 24

In reference to the attached letter from the Department of Environment and Natural Resources (DENR) dated 25 March 2022, the Department of Education (DepEd) through the Office of the Undersecretary for Administration (OUA) enjoins **all concerned to strictly implement water conservation measures in their jurisdiction per Administrative Order (AO) No. 24**. This is in consideration of water shortages amid the current decline in Angat Dam's water level.

Please note that all conservation effort is needed to avert the water crisis in areas being served by Angat Dam (e.g., Metro Manila, Cavite, Rizal, Bulacan, etc.). This will complement the mitigating measures being prepared by the National Water Resources Board (NWRB) to ensure stable water supply in the succeeding months.

For more information, questions and concerns on this subject, kindly contact the OUA through email at usec.admin@deped.gov.ph.

For strict compliance.

Secretary
Department of Education (DepEd)
2nd Floor, Department of Education Building, Deped Meralco Avenue, Pasig, 1605, Metro Manila

Subject: Administrative Order No. 24 s. 2020

Dear **Secretary Briones**,

Pursuant to Administrative Order (AO) No. 24¹ issued on 18 March 2020 (copy attached), all national government agencies, government-owned or controlled corporations and state universities and colleges, especially those located within areas served by the Angat Dam, are mandated to strictly implement water conservation in order to attain at least a twenty percent (20%) reduction in water consumption.

In addition, all LGUs, especially those within the areas served by the Angat Dam, shall issue advisories and enact ordinances that will protect water supply within their respective jurisdictions in accordance with RA 7160², as amended. The Department of Interior and Local Government (DILG) shall monitor compliance of concerned LGUs with this directive.³

Thus, in view of any impending water shortages amid the current decline in Angat's water level, there is a need to strictly implement the provisions of AO 24, s. 2020 to complement the mitigating measures being prepared by the National Water Resources Board (NWRB) with other government agencies involved in the management and use of water from the dam to have a more stable water supply in the coming months, particularly during summer and at this time of pandemic. To this end, your cooperation is hereby enjoined.

For your information.

Very truly yours,
Analiza Rebuelta-Teh

ATTY. ANALIZA REBUERTA-TEH

Alternate of the Secretary to the Governing Board of NWRB

¹ Mandating All National Government Agencies, Government-Owned-or-Controlled Corporations, and State Universities and Colleges to Strictly Implement Water Conservation Measures

² Local Government Code of 1991

³ Section 3 of Administrative Order No. 24

MALACANAN PALACE
MANILA

BY THE PRESIDENT OF THE PHILIPPINES

ADMINISTRATIVE ORDER NO. 24

**MANDATING ALL NATIONAL GOVERNMENT AGENCIES, GOVERNMENT-OWNED OR
-CONTROLLED CORPORATIONS, AND STATE UNIVERSITIES AND COLLEGES
TO STRICTLY IMPLEMENT WATER CONSERVATION MEASURES**

WHEREAS, Section 16, Article II of the Constitution enshrines the policy of the State to protect and advance the right of the people to a balanced and healthful ecology in accord with the rhythm and harmony of nature;

WHEREAS, Executive Order (EO) No. 16 (s. 2001) created a Presidential Task Force to enhance agency coordination in the formulation and implementation of measures that will mitigate the effects of the El Niño and La Niña phenomena;

WHEREAS, Memorandum Order No. 38 (s. 2019) reactivated the El Niño Task Force to implement, among others, short-term solutions to ensure water security;

WHEREAS, based on the projections of the National Water Resources Board (NWRB), the water level in Angat Dam will be below its normal high operating level of 210 meters from the months of January to March 2020 and below its minimum operating level of 180 meters from the months of April to May 2020;

WHEREAS, considering the above projections, the NWRB has reduced the water allocation for the Metropolitan Waterworks and Sewerage System (MWSS) from its normal demand of 44 cubic meter per second (m^3/s) to $40 m^3/s$ for January 2020, and for the National Irrigation Administration (NIA) to $20 m^3/s$ or fifty percent (50%) of the total allocation requirement of the NIA for the dry cropping season in agricultural areas served by the Angat Dam, such as the provinces of Bulacan and Pampanga;

WHEREAS, there is an urgent need to implement water conservation measures to avert a looming water crisis and in order to attain at least a twenty percent (20%) reduction in water consumption especially within the areas served by the Angat Dam, including Metro Manila and parts of Cavite, Rizal and Bulacan provinces;

WHEREAS, under Republic Act (RA) No. 7160 or the "Local Government Code of 1991," as amended, local government units (LGUs) are mandated to discharge the functions and responsibilities of national agencies and offices devolved to them, which includes enactment of ordinances that shall protect the quantity of water supply within their respective jurisdictions;

THE PRESIDENT OF THE PHILIPPINES

WHEREAS, Section 17, Article VII of the Constitution confers to the President the power of control over all executive departments, bureaus and offices, as well as the mandate to ensure the faithful execution of laws; and

WHEREAS, under Section 4, Article X of the Constitution, the President exercises general supervision over local governments;

NOW, THEREFORE, I, RODRIGO ROA DUTERTE, President of the Philippines, by virtue of the powers vested in me by the Constitution and existing laws, do hereby order:

Section 1. All national government agencies, government-owned or -controlled corporations and state universities and colleges, especially those located within areas served by the Angat Dam, are directed to urgently implement water conservation measures in coordination with the El Niño Task Force and the NWRB.

Section 2. The El Niño Task Force, in coordination with the NWRB, MWSS, Local Water Utilities Administration, Department of Human Settlements and Urban Development, Department of Education, Commission on Higher Education and the Presidential Communications Operations Office, shall undertake a massive information campaign and various advocacy programs on water conservation in traditional and social media platforms, schools, subdivisions and government offices.

Section 3. In accordance with RA No. 7160, as amended, all LGUs, especially those within the areas served by the Angat Dam, shall issue advisories and enact ordinances that will protect water supply within their respective jurisdictions. The Department of the Interior and Local Government shall monitor compliance of concerned LGUs with this directive.

Section 4. Failure to comply with this Order shall result in the filing of appropriate administrative cases pursuant to the Civil Service Commission Rules on Administrative Cases in the Civil Service, RA No. 7160, as amended, and other relevant laws, rules and regulations.

Section 5. If any part or provision of this order is held unconstitutional or invalid, other parts not affected thereby shall continue to be in full force and effect.

Section 6. This Order shall take effect immediately.

DONE, in the City of Manila, this 18th day of March in the year of Our Lord, Two Thousand Twenty.

R Duterte

By the President:

SALVADOR C. MEDIALDEA
Executive Secretary
