Department of Education, Region VI

To whom it may concern,

Good day!

Explained PH - Aklan is a non-profit online news network that is led by students and community journalists in the province. Ever since its first release last October 2021, the organization has done multiple actions to publish factual and credible information to quench the thirst of the masses for decisive and responsible community journalism, from the newsroom to the fingertips.

As the impending need to fight for press freedom continues, Explained PH - Aklan decided to initiate a **Community Journ Camp** that aims to foster the power of campus journalists while advocating for the truth despite the current setup.

There will be a lecture from nationally and internationally recognized speakers outside the region in seven categories: **News Writing, Editorial/Column, Editorial Cartooning, Feature Writing, Science and Technology, Sports, and Broadcasting.**

In line with this, we would like to invite the campus journalists from Aklan Province for both public and private institutions to take part in **Explained PH - Aklan's Two-day Community Journ Camp** with the theme **HOLD THE LINE: Gearing Up Grassroot Journalism Community from the Newsroom to the Masses**. This event is expected to be held on **August 13-14, 2022, and will be conducted virtually FOR FREE.**

Moreover, we would like to invite **DepED Region VI** as one of our **partners** in this year's Community Journ Camp. Should you approve our request, your department's logo shall be included to all primary event publication materials and event live streams. We look forward to your favorable response **on or before July 31, 2022.**

Attached in this email is a copy of the on going journalistic and community projects and initiatives of Explained PH Organization.
