Advisory No. 214, s. 2022  
September 08, 2022

In compliance with DepEd Order No. 8, s. 2013,  
this Advisory is issued not for endorsement per DO 28, s. 2001,  
but only for the information of DepEd officials,  
personnel/staff, as well as the concerned public.  
(Visit [www.deped.gov.ph](http://www.deped.gov.ph).)

**WASTE NO MORE 2022 CONFERENCE**

The Asia Society for Social Improvement and Sustainable Transformation (ASSIST) will conduct the Waste No More 2022 Conference this coming December 1-2, 2022 in Pasay City, Metro Manila.

Attached is the conference invitation for more details.

Participation of learners and public-school personnel shall be subjected to the no-disruption-of-classes policy as stipulated in DepEd Order (DO) No. 9, s. 2005 entitled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith.

## Call for Participation: Waste No More 2022 Conference

**Waste No More** <wastenomoreconference@gmail.com>  
To: [pshwm.cewm@gmail.com](mailto:pshwm.cewm@gmail.com)  
Bcc: [region6@deped.gov.ph](mailto:region6@deped.gov.ph)

Dear Friends of the Environment:

Isang malinis at luntiang Pilipinas!

On behalf of the Scientific Committee, I am pleased to invite you to participate at the Waste No More Conference 2022 (6th Philippine Solid and Hazardous Waste Management Conference in conjunction with the 3rd International Conference on Circular Economy-based Waste Management) this coming December 1-2, in Pasay City, Metro Manila, Philippines.

This year's theme is **Be part of the solution!**

The annual **Waste No More conference** is the only conference in the Philippines, to date, that provides a platform for academe, government, industry, international organizations, NGOs, environmental practitioners, and civil society to present their research, case studies, projects, policies, and initiatives on waste management.

**Waste No More** conferences aim to encourage international communication, collaboration, and networking to advance knowledge and promote values, attitudes, commitment, and skills needed to address emerging issues on waste management and protection of the environment. These conferences also aim to strengthen the link between collaborative projects and applied research to support and address industry needs, as well as, facilitate an open and constructive dialogue between multi-sector stakeholders towards resolving waste problems.

Our waste problem is not the government's problem alone or can they single handedly resolve this problem. We are all polluters, therefore, we are all responsible. We Must be responsible. **Be part of the solution!** Let us come together and find solutions, encourage others to share ideas and experiences, and realize that we are all trustees of the planet and fulfill our shared responsibility for the continuation of life!

There are several platforms for participation:

### (1) Present your research, case study, CSR initiative, and best practices - Deadline extended up to September 15

Present your work, whether through an oral or poster presentation. Please submit your abstract on or before September 15, 2022. For more details, please visit <https://wastenomore2022.wixsite.com/wastenomore2022/scientific-info>. Kindly submit your abstract/s online <https://wastenomore2022.wixsite.com/wastenomore2022/submit-abstract>.

### Registration Grants for Undergraduate Students

Registration grants are available for undergraduate students whose abstracts will be accepted for oral and poster presentations.

### (2) Share your Story: Benchmarking SWM initiatives and related SDG best practices

Share Your Story... is an E-photo and video gallery. These stories are informal, fun, practical, creative, cultivate environmentally friendly habits, and provide a sense of community. By sharing your story, you inspire others to do the same. By sharing your CSR initiatives, you increase customer retention and loyalty, among many other benefits, while making our lives healthier, our environment cleaner, and our time more meaningful. It is easy to join. For every initiative, send 2-4 photos (preferably in jpeg, not pdf) with an accompanying caption per photograph. You may share your story even if you are not attending the conference. Fun prizes and surprises await winners. Send your entries on or before September 30, 2022 to [pshwm.cewm@gmail.com](mailto:pshwm.cewm@gmail.com).

### (3) Be part of our Pool of Experts

During the conference, many of our participants seek answers and advice on landfill construction, converting waste to energy, among many others. It is free to be a part of our pool of experts but your attendance at the conference is required. It is a great opportunity to meet prospective clients.

### (4) Sponsor and Exhibit

If you are interested in sponsoring and exhibiting at Waste No More 2022, kindly let us know and we will promptly send the Sponsorship and Exhibition Prospectus.

You are most welcome, of course, if you prefer to attend the conference and not participate in the above platforms at this time.

Kindly also visit Waste No More Conference 2021 <https://pshwmcewm.wixsite.com/pshwm-cewm2021>.

Thank you and we look forward to meeting you all in person at Waste No More 2022!

Keep safe and stay green!

Respectfully,

Grace Garcia
