ACTIVITY CONCEPT AND GUIDELINES

Title	Tribute Wall: Salute to the Teacher-Heroes
Target Date	September 19 to October 05, 2022

I. Rationale

National Teachers' Month is an opportunity to express gratitude to the teachers that molded the minds, the heart and spirit of the young leaders. It also a celebration of thanksgiving for the sacrifices many teachers have made to ensure that relevant, contextualized and quality education is provided to all young people where ever they are.

The Presidential Proclamation No.242 and Republic Act No. 10743 institutionalized the celebration of the National Teachers' Month from September 05 to October 05 of every year. These landmark decrees not just ensure the annual honor to teachers but also the guidelines in ensuring an organized and meaningful tribute to the heroes-educators. The month-long celebration is to acknowledge and give emphasis on the crucial role, devoted service and commitment to developing a global-minded citizen, nurturing and strengthening families and communities, and building a strong and sustainable nation.

Thus, this Project is proposed to revitalized the image and respect for the teachers and the vocation they represent by increasing learners and public awareness on the value of teachers in the society.
