 U147
 BY: *P* TIME:

The Office of the Undersecretary for Governance and Field Operations, through the Bureau of Learner Support Services-School Health Division (BLSS-SHD), in close coordination, with the Philippine Society of Hypertension (PSH) reiterates its invitation to all Regional Offices, Schools Division Offices and schools to participate in the awareness campaign which is extended until October 15, 2022.

One of the activities is the hypertension awareness campaign, wherein individuals are encouraged to have their blood pressure measured, recorded, and reported, along with the pertinent health information for research purposes. Education about hypertension prevention and treatment are also provided during the activity.

During the campaign period, school health personnel, particularly medical officers and nurses shall conduct blood pressure monitoring among the Department of Education (DepEd) learners, teachers, nonteaching personnel, and other persons (e.g. parents, guardians, school visitors) who are at least 18 years old and above. The accomplished forms will be submitted to the PSH for consolidation. It is requested to indicate DepEd's Site ID Number (#0023) when accomplishing the Nationwide BP Survey form. Deadline of submission of the accomplished forms is on or before October 10, 2022.

The Philippine Society of Hypertension is also inviting school health personnel to join the 19th Course on the Fundamentals of Clinical Hypertension. The 33-hour modular online course is accessible until November 2022 via the PSH website at <http://www.philippinesocietyofhypertension.org.ph/>. For more details and complete campaign mechanics visit <https://bit.ly/mmm22mechanics>.

For questions and concerns, please contact Dr. Lilibeth P. Miranda-Gonzales at BLSS-SHD through (02) 8-632-9935 or email at blss.shd@deped.gov.ph.

For dissemination.
