Re: **Gokongwei Brothers Foundation's ISKOLAR NI JUAN PROGRAM**

Dear Dr. Uytico,

Greetings from Gokongwei Brothers Foundation!

We are a non-stock, non-profit foundation, principally engaged in worthwhile educational projects, including **granting scholarships** and establishing, operating, or giving support to educational institutions. Our organization was established in 1992 out of the Gokongwei Group's commitment to social responsibility and national development. Our mission is to help uplift the socio-economic condition of Filipinos through educational projects, youth development, and other philanthropic, charitable, and social welfare services grants or programs considered worthwhile in making an impact. Dedicated to empowering the Filipino youth, GBF's advocacy is providing **educational and employment opportunities to underprivileged youth.**

We are affiliated with all the **Gokongwei Group companies** and in particular, **Universal Robina Corporation (URC)**. One of our main scholarship programs is our partnership with URC, called **Iskolar ni Juan (INJ)**. INJ is a fully-subsidized, **1-year Technical-Vocational Education and Training Scholarship Program, which is TESDA-registered.** Successful scholars who graduate from the program shall be considered for employment as **Production Operator or Maintenance Technician in the various URC plants.**

We believe that you can be our partner in reaching out to deserving youth who have the potential of being our future INJ scholars.

In this regard, we would like to request your good office to help promote the program, if possible, through an official advisory to your regional and/or divisional offices. Your support will go a long way in reaching more **Senior High School graduates** who can avail of the **GBF Iskolar ni Juan Scholarship Program**. We will accept applications until **February 28, 2023.**

We will be happy to meet with you/your team to discuss opportunities we can explore and if you need further information about our program.

You may email us at carynjoy.muega@gbf.com.ph or give us a call or message at 09959768685.

Thank you very much!

Sincerely,
