Assistant Schools division Superintendent
Officer-in-Charge
Office of the Schools Division Superintendent

PHILIPPINES BIODIVERSITY CONSERVATION PROGRAMME

*Developing biodiversity conservation programmes and partnerships
in some of the world's highest conservation priority areas since 1990*

October 17, 2022

MR. NICASIO S. FRIO, CESO VI
Schools Division Superintendent
Division of Kabankalan City

Dear Sir Frio,

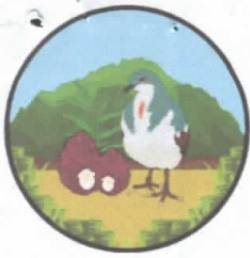

Greetings! November 2022 marks the celebration of the 18th Provincial Wildlife Month and Organic Festival of Negros Occidental. In regards with these celebrations and initiatives, the CSOs and Academic institutions play a significant role in mainstreaming wildlife and biodiversity conservation through raising and spreading awareness.

One of the identified activities within the month-long celebration is the **Wildlife Quiz Bowl 2022** for **high school students** and will be held at the **Carlos Hilado Memorial State University** this coming **November 10, 2022 at 1:00 PM**. With this, the PhilBio would like to respectfully **request for your assistance to officially invite schools to participate on this activity**. The guidelines for joining and the mechanics of the activity are hereby attached on this letter for your reference and dissemination.

Thank you very much and we hope for your favorable response. Should you have further clarifications, please contact Mr. Christian Casio through (034) 435-8209 or 09215150024 and through email: christiancasio@philbio.org.ph or info@philbio.org.ph.

Sincerely,

Ms. LISA J. PAGUNTALAN
Executive Director
Philippines Biodiversity Conservation Foundation, Inc.

2022 Provincial Wildlife Quiz Competition Mechanics

I. General Guidelines

1. This quiz shall be open to all public and private high schools of Negros Occidental.
2. Each participating school shall be represented by one team of two bona fide students.
3. Each participating school shall be responsible for their own transportation to and from the venue (CHMSU-Talisay City).
4. The questions used in this quiz are based on the subjects of basic biology and ecology, Philippine biodiversity, biogeography and wildlife, environmental laws, and environmental issues including current events/news.
5. This quiz shall have three rounds, namely: Easy, Average (Elimination) and Difficult Round.
6. Wrong spelling is considered a wrong answer.
7. Answers in scientific names should be written in proper form.
8. Cheating in any for shall automatically disqualify a team.
9. In case of a tie, a tie breaker question of any difficulty and type will immediately be provided. and will be sudden death in nature. The first team to gain an advantage in score will be declared the victor of the tie.
10. Clarifications, questions, and protests should be addressed to the Board of Judges before the next question is asked otherwise these shall be considered void.
11. The decision of the Board of Judges shall be final and irrevocable.

II. Registration

1. Each school is entitled to have two (2) representatives from the secondary level who will compose a TEAM. They should be bona fide students of their respective schools.
2. Registration of participants will be made available on September 26, 2022 until October 30, 2022. Any changes beyond the specified dates will not be recognized. The registrants shall submit the following requirements to the PhilBio email info@philbio.org.ph, to wit:
 - a. Scanned Birth Certificate or PSA of the 2 school representatives and 1 coach,
 - b. Letter from the Head of School or any relevant department heads endorsing the 2 students to represent the school for the Provincial Wildlife Quiz 2022, and
 - c. School Identification Cards of the 2 students and 1 coach.
3. On-site Confirmation of Registrants shall be available at the venue at 10:00 AM to 12:30 PM of November 10, 2022 at the Carlos Hidalgo Memorial State University.

III. General Quiz Mechanics

1. Each question shall be asked by the Quiz Master and shall only be repeated once.
2. All teams shall only be given 10 seconds or more for a specific question after each question to write their final answer, which must be legibly written on the board provided by the organizers.
3. The Quiz Master shall signal the start and end of the time period.
4. Answer boards should be raised after the Quiz Master has signaled the end of the time period and should not be put down until the answer has been checked and/or verified.

A. Easy Round

- a. This round shall consist of 10 questions.
- b. Each correct answer will be equivalent to one (1) point.
- c. All teams will proceed to the next round.

B. Average (Elimination) Round

- a. All qualified teams shall begin this round with the total points each team earned during the Easy Round.
- b. This round shall consist of 10 questions.
- c. Each correct answer will be equivalent to two (2) points.
- d. The teams within the top ten highest total scores at the end of this round shall qualify for the next round.

C. Difficult Round

- a. All qualified teams shall begin this round with the total points each team accumulated after the first two rounds.
- b. This round shall consist of 10 questions.
- c. Each correct answer will be equivalent to three (3) points.
- d. The team with the highest score at the end of this round shall be declared the Grand Champion of the 2022 Provincial Wildlife Quiz.
- e. In case of a tie, a tie-breaker question shall be asked among the teams that are tied. The team to give the correct answer shall be the winner of the tie-breaker round. If more than two teams are tied, any team to give an incorrect answer shall immediately be dropped out of the tie-breaker round.
- f. The top three teams will also have the opportunity to represent the province in the National Wildlife Quiz on 22 to 23 November 2022 in Dumaguete City.
