Department of Education

Dear Sir/ Madam:

Warm greetings!

The Center for Human Research and Development Foundation Inc. is committed with DEPED's goal that learning must continue amidst the pandemic. In our effort to provide help in the continuous implementation of the Learning Continuity Plan, we will conduct **FREE Webinar for Parents** with the theme "*Promoting Family Engagement towards Students' Academic Excellence*". This is a 1.5 hour session designed for parents and guardians helping the young in their self-learning modules and other forms of distance learning modalities.

Rationale: The mental load of parents and guardians are significantly high today. Looking at the principles on gender division of labor, productive and reproductive work is difficult to balance especially during this pandemic. Engaging their child to learn can be really tough in the absence of proper knowledge and guidance. This formation session is designed to address this concern by creating awareness and providing helpful tools on family engagement in education.

The following are set as session objectives:

1. Identify how one's experience affect perspectives on distance learning;
2. Present usual situations at home manifesting varied child's behaviors; and
3. Discuss possible strategies as intervention towards active learning engagement.

- 10 mins. Preliminaries (Prayer, Orientation, Recognition of participating schools and Introduction of the Speaker)
- 50 mins. Presentation
- 25 mins. Open forum (Question and Answer)
- 5 mins. Session synthesis

This program is open to all DEPED schools (first come, first served basis). The only limitation of this program is the use of online platform. We will be using Zoom App that can accommodate 500 guests. Thus, participating schools must ensure that their target audience have strong internet connection.

We will have 6 batches (AM & PM) from March 15-17, 2021. May we request that interested school heads to provide us relevant information by using this link <https://forms.gle/Uum4o3ep1TFKY2v48>. For inquiries, please email us at chrdf.inc@gmail.com or contact me through my mobile no. 09989925601.

Thank you and we look forward to your usual support in this endeavor.

Sincerely yours,

Mr. Jeffrey M. Mayor, LPT
