May 24, 2016

MR. ANTHONY H. LIOBET, CESO 6
Schools Division Superintendent
Kabankalan City

Dear Mr. Liobet:

The Philippine Red Cross Negros Occidental-Bacolod City Chapter would like to extend our humble yet relevant share for the upcoming Brigada Eskwela 2016 Kick-off with the theme: "Tayo para sa Paaralang Ligtas, Maayos at Handa Mula Kindergarten Hanggang Senior High School".

Please allow us to share with you and to all DepEd Districts/schools under your jurisdiction, the PRC's latest IEC material on disaster preparedness and emergency care using our mobile phones by downloading/installing the following applications stated below. Most Filipinos are using his/her mobile phones for at least 5 hours a day, thus, these Apps are very useful as personal tool for all pupils/students, teachers and parents by providing them easy access of information, test their knowledge and guide them with the right skills when faced with school and home emergencies by viewing the videos and go through the tests:

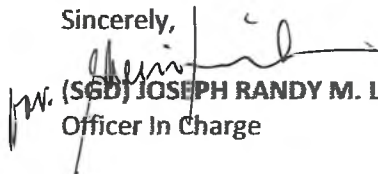

1. **Philippine Red Cross Hazard App**: Go to Google Play, search **Philippine hazards**, then download and install (See attached brochure for your reference).
2. **Philippine Red Cross First Aid App**: Go to Google Play, search **first aid ph** then install.

We do hope that this simple contribution will be of great help to all DepEd stakeholders in Negros Occidental especially to all Red Cross Youth Councils all over the province.

For more details, we have assigned Ms. Ivancka Poja-Collantes, CSR Safety/Disaster Management Service at 09173017016, Ms. Lielane Hermosura, Staff In Charge Fund Generation at 09258087008 and Mr. Adonairam Catapia, CSR Red Cross Youth at 09173218412 or you may contact us at (034) 434 9286 or email us at negros.occidental@redcross.org.ph for your training requests (First aid, DRR, Leadership, etc.) including drills and simulation exercises.

Thank you very much.

Sincerely,

J.M. (SGD) JOSEPH RANDY M. LOY
Officer In Charge
